

FG250

Grinder

Description

The Von Arx FG250 grinding machine is a reliable and easy-to-use equipment. Diamond tools are versatile and may be used on practically any surface or application. The grinding pressure may be adjusted with extra weights.

Article code

Power

102250001

5.5 kW, 400V, 50Hz, 3-phase

10225000X

5.5 kW, 480V / 60Hz, 3-phase

Technical data

Grinding width

25 cm / 10"

Weight

130 Kg / 286 lbs

Traction

Manual

Vibration

Less than 2,5m/s²

Hose connection

76 mm / 3"

Pairs with

Dust extractor T7 / T8

Key features

Robust and compact design

Diversity of tools

Easy handling

Efficient dust extraction
