

S210E40R

Shotblaster

Description

Von Arx's Shotblaster S210E40R is a mobile blaster that is lightweight, portable, and incredibly powerful. The machine is highly efficient because of the strong wheel motor, the improved separation system, and the variable speed drive motor. In order to obtain a high blasting performance on compact and medium areas, the machine has been carefully built. The machine is quite simple to operate.

Article code

Power

101210003

4kw, 400V / 50Hz, 3-phase

101210007

4kw, 230V / 60Hz, 3-phase

Technical data

Working width

20 cm / 8"

Weight

125 Kg / 275lbs

Traction

Self propelled

Travel speed

Variable 0-25 m/min / 0-85 ft/min

Capacity

80 m²/h

Hose connection

76 mm / 3"

Pairs with

Dust extractor **S3**

Key features

Powerful wheel motor

Height adjustable steering handle

Extremely easy handling
