

SF DTF 25

Side attachment unit **707534**

Field of application

The **SF DTF 25** side attachment unit allows to significantly decrease DTF 25 SH machines working distance from the wall.
The drum is not included.

Physical parameters

Weight kg / lbs	15 / 33
Dimensions mm / inch	320×215×200 / 13×8.5×8

Key features

Working width	87 mm / 3.5"
Distance to wall	10 mm / 0.39"
Cooling	Water

⚠ Attention!

It is not possible to run the side attachment unit at the same time with the main diamond drum.

SPARE PARTS

Diamond blades for DTF 25 / DTF 25 H for regular concrete	Diamond blades set 707326		Complete drum 707289		One set contains: 72 pcs diamond blades turbo 125 mm / 5" for regular concrete & 74 washers x 2 mm (1 x 2 mm in-between blades) One complete drum contains: 72 pcs diamond blades turbo 125 mm / 5" for regular concrete & 74 washers x 2 mm (1 x 2 mm in-between blades)
Diamond blades for DTF 25 / DTF 25 H for hard concrete	Diamond blades set 800040		Complete drum 800036		One set contains: 72 pcs diamond blades turbo 125 mm / 5" for hard concrete & 74 washers x 2 mm (1 x 2 mm in-between blades) One complete drum contains: 72 pcs diamond blades turbo 125 mm / 5" for hard concrete & 74 washers x 2 mm (1 x 2 mm in-between blades)
Diamond blades for DTF 25 / DTF 25 H for regular concrete	Diamond blades set 800041		Complete drum 800034		One set contains: 33 pcs diamond blades turbo 125 mm / 5" for regular concrete & 66 washers x 3 mm (2 x 3 mm in-between blades) One complete drum contains: 33 pcs diamond blades turbo 125 mm / 5" for regular concrete & 66 washers x 3 mm (2 x 3 mm in-between blades)
Diamond blades for DTF 25 / DTF 25 H for hard concrete	Diamond blades set 800042		Complete drum 800035		One set contains: 33 pcs diamond blades turbo 125 mm / 5" for hard concrete & 66 washers x 3 mm (2 x 3 mm in-between blades) One complete drum contains: 33 pcs diamond blades turbo 125 mm / 5" for hard concrete & 66 washers x 3 mm (2 x 3 mm in-between blades)
Diamond blades for SF DTF 25 for regular concrete	Diamond blades set 707410		Complete drum 707417		One set contains: 24 pcs diamond blades turbo 125 mm / 5" for regular concrete & 23 washers x 2 mm (1 x 2 mm in-between blades) One complete drum contains: 24 pcs diamond blades turbo 125 mm / 5" for regular concrete & 23 washers x 2 mm (1 x 2 mm in-between blades)
Diamond blades for SF DTF 25 for hard concrete	Diamond blades set 800099		Complete drum 800098		One set contains: 24 pcs diamond blades turbo 125 mm / 5" for hard concrete & 23 washers x 2 mm (1 x 2 mm in-between blades) One complete drum contains: 24 pcs diamond blades turbo 125 mm / 5" for hard concrete & 23 washers x 2 mm (1 x 2 mm in-between blades)
